### **Definitions**

**Address Where Taxable:** In some instances, personal property that is only temporarily at its current address may be taxable at another location (taxable situs). If you know that this is the case, please list the address where taxable.

**Consigned Goods:** Personal property owned by another person that you are selling by arrangement with that person. If you have consigned goods, report the name and address of the owner in the appropriate blank.

**Estimate of Quantity:** For each type or category listed, the number of items or other relevant measure of quantity (e.g., gallons, bushels, tons, pounds, board feet).

**Fiduciary:** A person or institution who manages property for another and who must exercise a standard of care in such management activity imposed by law or contract

**Good Faith Estimate of Market Value:** Your best estimate of what the property would have sold for in U.S. dollars on Jan. 1 of the current tax year if it had been on the market for a reasonable length of time and neither you nor the purchaser was forced to buy or sell. For inventory, it is the price for which the property would have sold as a unit to a purchaser who would continue the business.

**Historical Cost When New:** What you paid for the property when it was new or, if you bought the property used, what the original buyer paid when it was new. If you bought the property used and do not know what the original buyer paid, state what you paid with a note that you purchased it used.

**Personal Property:** Every kind of property that is not real property; generally, property that is movable without damage to itself or the associated real property.

**Property Address:** The physical address of the personal property on Jan. 1 of the current tax year. Normally, the property is taxable by the taxing unit where the property is located.

**Secured Party:** A person in whose favor a security interest is created or provided for under a security agreement; see Business and Commerce Code Section 9.102 for further details.

**Security Interest:** An interest in personal property or fixtures which secured payment or performance of an obligation see Business and Commerce Code Section 1.201 for further details.

**Type/Category:** Functionally similar personal property groups. Examples are: furniture, fixtures, machinery, equipment, vehicles and supplies. Narrower groupings such as personal computers, milling equipment, freezer cases and forklifts should be used, if possible. A person is not required to render for taxation personal property appraised under Tax Code Section 23.24.

**Year Acquired:** The year that you purchased the property, or otherwise acquired.
