Parker County Appraisal District
2017 Annual Report

Introduction

Parker County Appraisal District is a political subdivision of the state. The Constitution of the State of Texas, the Texas Property Tax Code, and Rules of the Texas Comptroller’s Property Tax Assistance Division govern the operations of the appraisal district.

Mission

Our mission is to provide uniform, fair and equitable appraisals of all real and personal property and to provide information and assistance to the public in a professional and courteous manner.

This will be accomplished by administering the laws under the property tax system and operating under the standards of:

- The Property Tax Assistance Division of the Texas State Comptroller’s Office (PTAD)
- The International association of Assessing Officers (IAAO)
- The Uniform Standards of Professional Appraisal Practice (USPAP)

Governance

The appraisal district is governed by a Board of Directors whose primary responsibilities include the following:

- Establish the district’s office
- Appoint the Chief Appraiser
- Approve the district’s annual budget
- Contract for necessary services
- Appoint the Appraisal Review Board
- Provide advice and consent to the Chief Appraiser concerning the appointment of an Agricultural Advisory Board
- Approve contracts with appraisal firms to perform appraisal services for the district
- Other statutory duties

To be eligible to serve on the board of directors, an individual must be a resident of the district and must have resided in the district for at least two years immediately preceding the date of appointment. Members of the Board of Directors will serve two-year terms beginning in January of even-numbered years.
The Chief Appraiser is the chief administrator of the appraisal district and is appointed by the board of directors. The Chief Appraiser must be certified (or actively working toward certification) as a Registered Professional Appraiser (RPA) through the Texas Department of Licensing and Regulation.

Appraisal Review Board members are appointed by the Board of Directors. To serve on the ARB, an individual must be a resident of the appraisal district and must have resided in the district for at least two years. The Parker County Appraisal Review Board (ARB) is responsible by statute for the hearing and determination of taxpayer protest and taxing entity challenges.

Agricultural Advisory Board members are appointed by the Board of Directors at the recommendation of the Chief Appraiser to aid in determining typical practices and standards for agricultural activities in the district.
