Texas Property Tax Code Section 1.086 change effective 01/01/2020

Chief Appraisers are required to deliver notices related to changes in value and exemptions by email IF a property owner requests electronic delivery in writing and provides an email address.

The chief appraiser must send a confirmation email to the email address before sending notices. This request for electronic delivery continues until the owner revokes it in writing OR until PPAD receives any legal document that changes all or part ownership in the property.

I am requesting that any notices related to changes in value and exemptions be sent to me by email. I understand that by requesting emailed notices, I may not receive these notices by 1st class mail.

I am the owner of the property listed below and wish to have all notices concerning value and or exemption be sent to me by email.

I understand that this form must be received on or before April 1 for my notices to be sent to me via email for that year. If PPAD receives the form after April 1, my notices by email could be delayed until the next tax year.

I understand that I will be sent a confirmation email from ppad@palopintocad.org. I must respond to this email or this request for email notices will be void.
