# **Important Information**

#### **GENERAL INFORMATION**

Use this form in rendering, pursuant to Tax Code Section 22.01, tangible personal property used for income production that you own or manage and control as a fiduciary on Jan. 1 of this year. A person who elects not to render property for taxation must file a rendition statement or property report that includes a certification that the person reasonably believes that the value of the property is not more than \$125,000. This report is confidential and not open to public inspection; disclosure is permitted pursuant to the terms of Tax Code Section 22.27.

#### **FILING INSTRUCTIONS**

File this form and all supporting documentation with the appraisal district office in the county in which the property is taxable. **Do <u>not</u> file this document with the Texas Comptroller of Public Accounts.** Contact information for appraisal district offices is located on the Comptroller's website.

#### **DEADLINES**

Rendition statements and property report deadlines depend on property type. Property owners must deliver statements and reports to the chief appraiser after Jan. 1 and no later than the deadline indicated below.

| Rendition Statements and Reports   | Deadlines | Allowed Extension(s)   |
|--|-----------|--|
| Property generally*  | April 15  | <ul><li>May 15 upon written<br/>request</li><li>Additional 15 days for<br/>good cause shown</li></ul>    |
| Property regulated by the Public Utility<br>Commission of Texas, the Railroad Commission<br>of Texas, the federal Surface Transportation<br>Board or the Federal Energy Regulatory<br>Commission. Tax Code Section 22.23(d). | April 30  | <ul> <li>May 15 upon written<br/>request</li> <li>Additional 15 days for<br/>good cause shown</li> </ul> |

\*If the chief appraiser extends the deadline for a rendition statement or property report to May 15, the chief appraiser must also extend the deadline for the property owner to file an allocation application or freeport exemption application to May 15. For good cause shown, the chief appraiser may allow an additional 30 days for allocation applications and 60 days for freeport exemption applications.

#### EXEMPTION

A person is entitled to an exemption from taxation by a taxing unit of the tangible personal property held or used for income production of the appraised value of \$125,000. (Tax Code Section 11.145).

If the chief appraiser denies or terminates an exemption, the owner must render the property for taxation within 30 days from the denial or termination (Tax Code Sections 21.01(a) and 22.02).

### **PENALTIES**

The chief appraiser must impose a penalty on a person who fails to timely file a required rendition statement or property report in an amount equal to 10 percent of the total amount of taxes imposed on the property for that year by taxing units participating in the appraisal district. The chief appraiser must impose an additional penalty on the person equal to 50 percent of the total amount of taxes imposed on the property for the tax year of the statement or report by the taxing units participating in the appraisal district if it is finally determined by a court that:

- (1) the person filed a false statement or report with the intent to commit fraud or to evade the tax: or
- (2) the person alters, destroys or conceals any record, document or thing, or presents to the chief appraiser any altered or fraudulent record, document or thing, or otherwise engages in fraudulent conduct, for the purpose of affecting the course or outcome of an inspection, investigation, determination or other proceeding before the appraisal district.

# **Definitions**

**Address Where Taxable:** In some instances, personal property that is only temporarily at its current address may be taxable at another location (taxable situs). If you know that this is the case, please list the address where taxable.

**Consigned Goods:** Personal property owned by another person that you are selling by arrangement with that person. If you have consigned goods, report the owner's name and address in the appropriate blank space.

**Estimate of Quantity:** For each type or category listed, the number of items or other relevant measure of quantity (e.g., gallons, bushels, tons, pounds, board feet).

**Fiduciary:** A person or institution who manages property for another and who must exercise a standard of care in such management activity imposed by law or contract.

**Good Faith Estimate of Market Value:** Your best estimate of what the property would have sold for in U.S. dollars on Jan. 1 of the current tax year if it had been on the market for a reasonable length of time and neither you nor the purchaser was forced to buy or sell. For inventory, it is the price for which the property would have sold as a unit to a purchaser who would continue the business.

**Historical Cost When New:** What you paid for the property when it was new or, if you bought the property used, what the original buyer paid when it was new. If you bought the property used and do not know what the original buyer paid, state what you paid with a note that you purchased it used.

**Inventory:** Personal property that is held for sale in the ordinary course of a trade or business.

**Personal Property:** Every kind of property that is not real property; generally, property that is movable without damage to itself or the associated real property.
